

# Wood Stains

Available in our Fiji and Samoa range of shutters and also our PURE Wood™ blinds. If you are looking for a more classic look for your shutters, and admire the beautiful definition of hardwood grain, then a wood stain may be the perfect choice for you. Chose from a selection of 27 stain options.

# Painted Colours

Available in every shutter material, choose from a wide range of warm and contemporary colours that will help you find the right shutter style to compliment your decor. Each painted finish receives several coats, as well as a protective final coat, to limit fading caused by the sun. Paints are available in 24 painted colours, including a custom colour option.
